PER CURIAM:

Reggie Andre Beckton appeals the district court's text order denying his motion for a show cause order. We have reviewed the record and find no reversible error. Accordingly, we affirm. *See United States v. Beckton*, No. 7:11-cr-00061-BR-1 (E.D.N.C. July 18, 2017).

We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
